## BEQUESTS MADE TO TWO INSTITUTIONS AND ALSO CHURCH

Listed in The Will of Ernest Stieber, Late of Buckingham Township

### A PERCENTAGE BASIS

**Ida M. Heritage, Late of Langhorne, Leaves Upwards of \$10,000**

DOYLESTOWN, June 18—Ernest Stieber, Buckingham township, who left a personal estate of \$19,000, remembered a church and two institutions in his will, probated in the Register of Wills office, here.

St. Alban's Church, Olney, was given seven per cent of the balance of the estate. The Order of the Holy Cross, St. Andrew's School, Tennessee, and Poor Clares, Mount Sinai, Long Island, were each bequeathed four per cent.

A sister, Julia S. Weaver, was given 35 per cent of the balance of the estate. Anna M. Stieber, seven per cent, and Richard C. Martin, who was also given all the testator's clothes and personal possessions, will receive 35 per cent. Harry Stieber was given eight per cent.

Richard C. Martin and Anna M. Stieber will share in the residue. The will was executed September 3, 1946, and the testator died May 10.

Souderton Old Mennonite Congregation was bequeathed \$100 for church purposes by Clayton H. Moyer, Sellersville, who left a personal estate of \$5,000 and real estate valued at \$5,000.

The widow, Catherine W. Moyer, was named the residuary heir, and four sons, Edward, Clarence, Lincoln and Paul are the executors.

The testator, who died April 24, executed his will May 27, 1943. Real estate is located at 185 Diamond street, Sellersville.

Ida M. Heritage, Langhorne, who left a personal estate of \$10,000 and upwards, bequeathed \$200 to Beechwood Cemetery. Florence H. Manhart, Green Castle, Ind., was given \$2,000. Mrs. Grace M. Ambler was given \$100.

Six grandchildren, Charles, Alfred, Irving, Gene, Catherine and Joseph, were each given \$50. Glass, jewelry and other household possessions were given to Florence H. Manhart, Charles, Alfred, Irving and Gene Heritage. Florence H. Manhart and Bertha M. Heritage, Churchville, will share the residue. The will was executed June 19, 1942, and the testatrix died May 15. George R. Ambler, Jr., Langhorne, and Florence H. Manhart, were named executor and executrix respectively.

In a one paragraph, holographic will written in pen and ink on stationery, John C. Owens, New Britain, named his widow, Martha, the sole beneficiary of his \$5,000 estate. The will was written August 1, 1941, and the testator died April 27.

A son, Clarence S. Myers, Blooming Glen, will inherit the \$2250 real estate holdings of his father, Anthony F. Myers, Hilltown township. The will was executed March 12, 1946, and the testator died May 6. The son was also named executor.

Mary T. Brescia, the mother, was named the heir in the will of Joseph Brescia, Bristol township, who died May 7 and left a personal estate of \$100 and real estate valued at \$1500. Frank Brescia, 318 Brook street, Bristol, was named executor. The will was executed April 5, this year.

Leaving a personal estate of \$1,000 and real estate valued at \$1,000, the testator died April 5, this year.

### Mill Street Merchants Plan Another Big Sale

Another street-wide sale, the third in as many months to be sponsored by the Mill Street Business Men's Association, is scheduled for Thursday, Friday and Saturday, June 24, 25 and 26, according to an announcement made this morning by a representative of the Association.

"The public response to the last two sales was very gratifying, and the members of our Mill Street organization who are co-operating have again searched far and wide to bring another array of outstanding values for our June street-wide sale," the announcement said.

Complete details of the sale will be published in the June 24th issue of the Courier.

### HERE AND THERE IN BUCKS COUNTY TOWNS

#### Activities of Interest To All in The Various Communities

#### GLEANED BY SCRIBES

Beneath a sky scattered with a few clouds, 84 Doylestown high school graduates filed before 1,000 guests at the 56th annual commencement exercises, which for the first time were held outdoors at War Memorial field, Tuesday evening.

With a background of green grass and a speaker's platform decorated with roses, the students were very impressive in their black robes and academic mortar boards, which were adorned with gold-and-white tassels, the school colors.

Over 100 awards were made.

James Mason, Jamison, pleaded guilty before Justice of the Peace L. Elizabeth Jones, who charged him with having a dog without a 1948 license on his property.

The arrest was made by a state dog law enforcement officer, George B. Matthews, Ardmore. Mr. Mason was fined \$5.00 and costs.

One of America's outstanding public speakers told an interclub noon-day dinner meeting of the Kiwanis, Rotary and Lions Clubs of Doylestown, Tuesday, that "to be worthwhile you have to be of service to your community."

The speaker was Dr. Francis H. Green, former head of Pennington School, who also on Tuesday delivered the address to the 1948 graduating class of the Doylestown high school.

The distinguished speaker was presented by Dr. J. L. Leonard Hallerman, chairman of the Kiwanis club committee on arrangements.

"A man should be proud of his country if he is a native or not," Dr. Green said.

"Is Doylestown and Bucks county a better place because you are living there? . . . if not, 'there's something wrong in Denmark,'" Dr. Green continued.

#### GLOBAL EAVESDROPPING

ITHACA (INS)—Eavesdropping on a global scale, will become a part of modern language classes at Cornell University this fall. Radio broadcasts from France, Spain, Italy, and other countries—including Pakistan—will be recorded by the university's division of modern languages to provide life material for instruction purposes.

## A SUMMARY OF THE NEWS

All 41 persons aboard were killed when a plane bound from San Diego to New York crashed and burned near Mount Carmel, Pa., yesterday. One of the victims was Earl Carroll, theatrical producer.

Senate debate on a long-range farm program was marked by bitter and intense political fighting as Congress ground its way toward tomorrow's scheduled adjournment.

A third Presidential veto in four days was overridden when the House repassed a bill to exempt railroads from some anti-trust prosecution. It adopted a rule that would bar a vote on public housing or slum clearance when the limited bill reached the floor.

The House continued to tack amendments on the selective draft bill. One would defer inductions at least until next February and other changes so weakened the measure that defense leaders said it remained "no draft at all." In the midst of debate Chairman Eaton disclosed that Secretary Marshall had warned the Foreign Affairs Committee that "any backing away from our present line of action" of "firmness" in dealing with Russia "would be most unfortunate and might result in war."

Senate and House conferees failed to reconcile differences over funds for the European Recovery

This air view shows the wooded area near Shamokin, Pa., where a United Airlines DC-6 crashed and burned, killing all 41 persons aboard. The plane burned so intensely that rescue workers were unable to approach the wreckage. Eyewitnesses said the huge ship appeared to "blow up in the air." The airliner is reported to have included among its 37 passengers Mrs. Jack Oakie, divorced wife of the movie star, Earl Carroll, noted theatrical producer, and his leading lady, Beryl Wallace. ### KAI SER MAY QUADRUPLE NUMBER OF EMPLOYEES

#### If Present Plans Mature Force May Reach 1500

#### EXPANSION PLANNED

Barring unforeseen factors and problems, Kaiser Fleetwings, Inc., may more than quadruple its plant personnel within the next year, declared Ralph Collett, Works Manager of the local plant, when he spoke to Bristol Rotarians at the Elks' Home yesterday afternoon.

"We presently have employed 273 persons, and that figure may be expanded to 1500 by the end of the year, if our present production plans are completed," Collett said.

The speaker, who has served the Kaiser interests in many sections of the United States, outlined the growth and development of the 56 companies in which Henry J. Kaiser now has an interest.

Collett praised the attitude of local labor unions, pointing out that the labor conditions experienced in other sections of the country are not nearly as pleasant and agreeable.

The speaker also stated that his company is interested in deepwater shipping on the Delaware here.

#### BLAZE-BRESAZ

Announcement is made of the marriage of Miss Edna Bresaz, 587 Bath street, to Mr. George D. Blaze, Trenton, N. J. The marriage took place on Tuesday evening at eight o'clock in the First Reformed Church, Passaic, N. J. Attendants of the couple were Mr. and Mrs. Fred Mathias, Clifton, N. J.

### KILLED IN CRASH

### RHEDA RAHN NAMED QUEEN OF STAMPEDE

#### Former Bucks Countian Shows Excellent Horsemanship

#### IS A UTAH EVENT

Miss Rheda Rahn, who makes her home with Mr. and Mrs. Howard Fabian at Nephi, Utah, was chosen last week from a field of six, as queen of Nephi's Ute Stampede. The contestants were judged impartially on the basis of horsemanship and western showmanship.

A trained horsewoman, Miss Rahn has lived in Nephi less than a year. She was raised in Andalusia, and lived with Mr. and Mrs. Fabian, Bristol township, for two years, where she received her training in horsemanship. In September, 1947, when the Fabians started upon their journey to Utah, Miss Rahn accompanied them.

The rodeo which is the real meaning of Ute Stampede, was held at the town of Pleasant Grove, near Nephi, in the heart of the strawberry county. The rodeo was called "Strawberry Days." Naturally Miss Rahn is delighted over her selection as queen and considers it an honor to have been selected in competition with five young women of the Mormon church.

When the Fabians went to Utah they took three horses, one of which was a thoroughbred. His name is Marco Polo, and he is a registered polo pony. He knows a few tricks such as bowing on command and dancing to music. This is the horse Miss Rahn rode in the contest.

When someone in Nephi is selected as queen, the town buys her a complete outfit for the occasion. Accordingly, a committee from Nephi took Miss Rahn to Salt Lake City and turned her loose in a sport's good store and told her to buy whatever she wanted. She selected a light tan suit replete with embroidery work; red boots, white ten-gallon hat, white gloves and belt.

### GOATS, DOGS, PARROT, KITTENS VIE FOR HONORS IN PET PARADE OF YOUTH WEEK; ADULTS THOROUGHLY ENJOY SPECTACLE

Juvenile Bristol paraded over a odorized. This statement was number of streets here last evening emphatically denied by marchers and spectators alike. He was dehorned, but full of the "butting" instinct.

Many of the marchers wore Haloween costumes, decorated smocks; carried teddy bears, worn in helmets, and had their faces painted. Two girls with bare midriffs appeared in "black-fare." Most of the pets were rebriboned, and some of them did not appear to be enjoying the occasion. The parade proceeded from the high school, down Farragut avenue, to Pond street to Mill street, and down Cedar street to the municipal parking lot where boxes of water ice were distributed.

Dogs were predominant among the pets, and there were fox terriers, hounds, Dalmatians, poodles, cocker spaniels. Some were thoroughbred, some were of mixed breed, while others were just "bred." There was one large goat, Joseph Antonelli, and the girl running the booth was having been "de-

### PLANE CRASH VICTIM

## BRISTOL LAD TO GET \$300 AS RESULT OF HIS INJURIES

Compromise Settlement Is Reached in Case of John J. Austin

### AT BRISTOL TERRACE

Lad Injured by Car As He Walked Along The Pathway

DOYLESTOWN, June 18—A compromise settlement has been reached by which John J. Austin, six-year-old son of John and Catherine Austin, Bristol, was awarded \$300 in decree signed by President Judge, Hiriam H. Keller in the Court of Common Pleas, here.

At the time of the accident it was stated that the lad had sustained a contused wound of the left side of the face and a fracture of the shoulder.

The small boy, who was injured by a car driven by Dolores B. Green, the defendant, will receive \$210 in his own right for his pain and suffering. A doctor's bill of \$50 was paid to Dr. George T. Fox and the Harriman Hospital bill amounted to \$40.

President Judge Keller also stipulated that the sum of \$30 should be paid to the attorney for his fees, in addition to the settlement for \$300.

The Court emphasized that the small boy should receive the \$210 which should be kept for him by his parents since he is the one who suffered the injuries.

The youngster was walking on a path alongside of a highway in Bristol Terrace, Feb. 24, when he was struck by the defendant's car.

The defendant offered no testimony at the settlement and the Court assured her that the sum of \$300 for the settlement was extremely lenient.

**CAR DEMAND INCREASES**

How and when automobile demand will be overtaken is a question that is troubling the industry. Demand is greater than it was at the end of the war because increased driving is taking an ever greater toll of old cars. Manufacturers can see no hope of filling the backlog of orders before 1951.

At the present rate of production 9,000,000 passenger cars would have been produced since Japan surrendered. Actually only 6,000,000 have been turned out in a period of nearly three years, and material shortages are still plaguing the industry.

Inistent demand for new cars is reflected in prices. The public is bidding from \$800 in the low priced field to more than \$3,000 in the high priced field above the prices recommended by the factories. Used cars made in 1940 to 1942 are selling at 75 percent of new car prices. Cars made in 1946 are selling for more than they cost originally.

There is no remedy for all this except increased production. Until production reaches a record peak, new cars will continue to be channeled through black markets. And the outlook for increased production is not promising. Additional steel is to go into the European recovery program, the defense program, to railroads and to the oil industry.

Predictions that buyer resistance to high prices would result in lessened demand for cars have not been borne out. More people than ever want new autos, and many are willing to pay more than the established prices to get them.

**LARGER WHEAT CROP**

Department of Agriculture has jumped Kansas wheat estimates to 160,000,000 bushels. Several weeks ago private estimates were as low as 125,000,000 bushels. An old wheat country saying is that it is impossible to estimate a wheat crop until the grain is in the bin.

The Kansas crop was seeded in dry soil, a terrific handicap. It went through an icy winter unfavorable to growth. Spring showers were skimpy. Despite these handicaps, experts now predict a harvest only slightly below the 10-year average.

There is something miraculous about the wheat plant growth. It does better on a scarcity than an overusage of moisture. Give it a little rain after it is in the ground, some snow in winter if it is winter wheat, and three or four showers during the growing season, and a crop eventuates. Often wheat heads fill better and the grain is of higher quality if sub-humid conditions hold plant growth back.

Wheat, as it has been improved through long experimentation and adaptation, is a crop for the North American prairies just as it is for the steppes of Russia and the pampas of the Argentine.

Army has developed a chemical called gossypol which, taken in water, improves the appetite. But does it remove the odor of mutton?

**CAR DEMAND INCREASES**

How and when automobile demand will be overtaken is a question that is troubling the industry. Demand is greater than it was at the end of the war because increased driving is taking an ever greater toll of old cars. Manufacturers can see no hope of filling the backlog of orders before 1951.

At the prewar rate of production 9,000,000 passenger cars would have been produced since Japan surrendered. Actually only 6,000,000 have been turned out in a period of nearly three years, and material shortages are still plaguing the industry.

Inistent demand for new cars is reflected in prices. The public is bidding from \$800 in the low priced field to more than \$3,000 in the high priced field above the prices recommended by the factories. Used cars made in 1940 to 1942 are selling at 75 per cent of new car prices. Cars made in 1946 are selling for more than they cost originally.

There is no remedy for all this except increased production. Until production reaches a record peak, new cars will continue to be channeled through black markets. And the outlook for increased production is not promising. Additional steel is to go into the European recovery program, the defense program, to railroads and to the oil industry.

Predictions that buyer resistance to high prices would result in lessened demand for cars have not been borne out. More people than ever want new autos, and many are willing to pay more than the established prices to get them.

**LARGER WHEAT CROP**

Department of Agriculture has jumped Kansas wheat estimates to 160,000,000 bushels. Several weeks ago private estimates were as low as 125,000,000 bushels. An old wheat country saying is that it is impossible to estimate a wheat crop until the grain is in the bin.

The Kansas crop was seeded in dry soil, a terrific handicap. It went through an icy winter unfavorable to growth. Spring showers were skimpy. Despite these handicaps, experts now predict a harvest only slightly below the 10-year average.

There is something miraculous about the wheat plant growth. It does better on a scarcity than an overplusage of moisture. Give it a little rain after it is in the ground, some snow in winter if it is winter wheat, and three or four showers during the growing season, and a crop eventuates. Often wheat heads fill better and the grain is of higher quality if sub-humid conditions hold plant growth back.

Wheat, as it has been improved through long experimentation and adaptation, is a crop for the North American prairies just as it is for the steppes of Russia and the pampas of the Argentine.

Army has developed a chemical called gossypol which, taken in water, improves the appetite. But does it remove the odor of mutton?

**FLEETWING ESTATES**

"The Neighbor," weekly mimeographed publication for residents of the Estates, is suspending publication for the summer, after the issue of June 17.

Plans are going forward for another "Hi, Neighbor" day in the Estates, for which Saturday, June 26, has been set as the date. Since the occasion last year was enjoyed by so many, the Civic Association decided at its last meeting to sponsor such an informal get-together of neighbors as an annual event. The location for this year's party, Donald Fagans, entertainment committee chairman, announced, will be the lawn beside the store on Bloomsdale road.

**Editor Courier:**  
To correct any wrong impression which may have been given by the recent news items concerning purchase of bleachers for the Bristol High School field, the School Board wishes to state that, while it will advance the necessary money for the purchase of these bleachers at this time, the entire cost of the project is to be paid for by the High School Athletic Association, at whose urgent request the purchase was made.

The Athletic Association is confident that, with these fine seating facilities, attendance at home games will increase to more than double and possibly triple what it has been heretofore, when the grossly inadequate

## JUNIOR LEGION WINS 3RD STRAIGHT DIAMOND BATTLE

The Bristol Junior Legion made it three straight in the Bucks County league, by subduing the Morrisville Legion, 7-4, last evening on the Third Ward field.

A sensational one-handed catch by Joe Schreiber in the last inning, with two Morrisville runners on base, ended the tilt and practically saved the game for Bristol. Schreiber's leaping catch robbed the visitors of two runs and Don Roberts of a sure base hit.

Dave Muth was the winning hurler, although he weakened considerably in the final frame. Until the last inning, Muth had allowed but three scattered hits and the only run scored off him was the result of two wild throws. In the last inning, two walks and two hits scored three runs and a hit batter placed two more runners in scoring position before Schreiber's stab ended the game.

Muth showed his coolness under fire in the third when Morrisville had the bags loaded and he fanned Bob Roberts to end the canto. Muth was aided by a fine throw on the part of Henry Elsenbrey in the fifth, his throw catching Bucknum at third base.

Morrisville started "Bill" Powell on the mound and he was rapped out of the box in the second. Both "Walt" Bucknum and "Woody" Woodruff flailed fine relief ball.

Bristol had six hits, four of which were double and five of which came in the first two frames when the localites pushed six runs across the plate.

Vito Della's minnows will go after their fourth consecutive win Saturday afternoon, as they meet the Doylestown Legion on the Third Ward field.

## SAGOLLA'S CURVES PROVE TOO MUCH FOR VOLTZ NINE

Backed by adroit fielding, Joe Sagolla and his curves gave the Democratic Club its seventh win of the Bristol Suburban league, last evening, on Leedom's field. The Democrats topped the Voltz-Texaco team, 10-3.

The game was better played than the score indicates for five complete innings were played before either team scored. The ultimate winners scored four in the sixth and three more in the seventh.

"Ferdie" Reetz handed nine chances at short for the victors and "Mickey" Mandio had one error in eight tries. However, Mandio atoned for the misplay by getting three hits in four tries.

Karl Leinheiser and Hal Shackleton were on the mound for the losing team, with Leinheiser being charged with the loss. He was driven from the hill in the sixth.

Alex Dewsnap continued his hitting streak by getting three out of five.

## TOO COLD TO SNOW!

MANHATTAN, Kans. — (INS) — Old-time weather forecasters may declare that "it's too cold to snow," but Dr. A. B. Cardwell, head of the physics department at Kansas State College, says it just ain't so. Dr. Cardwell points out that Verkhoyansk, Siberia, one of the coldest spots in the world—with a recorded 94 degrees below zero—has reported snow. However, Dr. Cardwell admits that at temperatures below zero heavy snowfall is rare.

### MAIL COMPANION

**EL DORADO, Kans. — (INS) —** G. R. Townsend has a companion on his mail delivery route every day. Duke, a mongrel owned by Melvin Abeels, meets Townsend midway on his route. Recently, when Townsend became appointed, Duke was very upset. He made frequent trips to the post office and dallied there off and on for several days until Townsend returned.

## RECIPES

**Favorite Fruit Cake**  
 1 cup quick-mix shortening  
 1 cup sugar  
 6 eggs  
 1 pound raisins  
 1/2 pound currants  
 1/2 pound candied pineapple  
 1/2 pound citron-orange peel-lemon  
 peel combination  
 1/2 pound candied cherries  
 1/2 pound dates  
 2 cups sifted cake flour  
 1 1/2 teaspoons cinnamon  
 1/2 teaspoon mace  
 1 teaspoon nutmeg  
 1 teaspoon allspice  
 1/2 teaspoon salt  
 2-3 cup pineapple juice

Cream shortening and sugar until light and fluffy. Add eggs, one at a time, beating in well. Mixture will look curdled. Slice fruits into small pieces. Combine sliced fruits, sift flour with spices, salt, and mix with fruit. Add floured fruits and pineapple juice, alternately. Mix well. Pour batter into paper-lined pans. Bake in very slow oven (300 degrees F.).

**Ham-Crust Casserole**  
 Yield: 6 Servings  
 4 cups toasted bread cubes  
 1/4 cup melted butter or fortified  
 margarine  
 1/2 cup hot water  
 1/4 teaspoon cloves  
 1/4 cup brown sugar  
 2 oranges  
 2 tart apples  
 2-3 cup raisins  
 6 slices baked ham (1 pound)  
 Combine bread, butter, water, cloves, and brown sugar. Peel and dice oranges. Pare and dice apples. Steam raisins. Combine all ingredients. Put into greased shallow baking dish. Top with ham slices. Cover and bake in a moderate oven (350 degrees F.) for about 45 minutes.

**Loaf-Corn Casserole**  
 1/2 pound spiced luncheon meat  
 1 No. 2 can whole grain corn  
 1/2 cup chopped parsley  
 1/2 teaspoon salt  
 1/2 teaspoon pepper  
 3 cups medium white sauce  
 1 cup corn flakes  
 2 teaspoons melted butter or margarine  
 Cube meat and mix with drained corn and parsley. Season with salt and pepper. Put layers of corn mixture and white sauce in greased baking dish (8 x 8 inches). Crush corn flakes to fine crumbs, mix with melted butter and sprinkle over top of casserole. Bake in moderate oven (350 degrees F.) for 20 minutes.

Yield: 6 servings, about 1 cup each.

## DRESSING WELL FOR LITTLE MONEY

Everybody agrees that the best way to buy any season's wardrobe is to get it all at one time. Proof that it can be done this Spring and Summer, whatever amount your bank account allows, was put across in New York's recent showing of fashions-at-a-price, all under \$25. The majority of dresses, in fact, were considerably less.

The fashions, chosen for their trend as well as price value, included well-styled Easter suits in good woolens, bolero and capelet costumes, Spring's popular petticoat dresses, pretty and tubbable career girl cottons, prints and printed ensembles, among them some pure silks, and even a white satin bridal dress.

*Photos courtesy New York Dress Institute*

Low-priced good fashions: Redingote costume (above) combining a sheer navy crepe coat and a navy and white taffeta dress with camisole top and flounced hem. For Juniors (left), bolero dress of blue spun rayon with dotted sash matching revers of the bolero.

Pictured today are two of the many big values for little money. The redingote costume, seen in high style collections, is a popular price version as a New York designer shows it in checked taffeta with navy crepe. The big "pusy cat" bow and ruffled sleeve cuffs match the "slip dress" beneath the coat. Naturally, the coat can be worn over many other dresses. The bolero costume is one of many varieties in all kinds of fabrics.

## Young Woman Who Majored In Journalism is Temple "Grad"

Elaine McGinley, daughter of Neal J. McGinley, 236 Otter street, received the degree of bachelor of science at Temple University's (Phila.) 62nd commencement yesterday. Miss McGinley majored in journalism and minored in sociology while working for her degree.

She was awarded a key for three years service on the Temple University news staff, and was elected to Theta Sigma Phi, national honorary and professional fraternity for women in journalism.

While at Temple Miss McGinley was member of the Newman Club, national Catholic student organization; and was press representative for that group in her freshman year. She was also an active member of the Scribblers Club, creative writing group, and Day Dodgers, university day students club, and is now a member of the Women's University Club of America.

O Lord our Governor, how excellent is thy Name in all the world! Thou hast set Thy glory above the heavens! When I consider Thy heavens, even the work of thy fingers; the moon and the stars which thou hast ordained; What is man that thou art mindful of him? May each of us look into the glass, no longer darkly, and find therein the true image of his soul. Grant us the courage to see the real picture of ourselves, and the perseverance to make that picture acceptable unto Thee, through Jesus Christ, our Lord. Amen.

**SPORTSMEN'S  
BRIEFS**

BY JOE ELBESON

Round two . . . this Sunday, June 20th, the second match in the 1948 Lower Bucks County Trapshooting League will be shot over the traps of the Newportville Rod & Gun Club, Haunted Lane near Lake Louise, Bridgewater, beginning at 1 P. M.

Last year's winner in the League, Edgely Rod & Gun Club, holds a 16-point lead over the Bristol Fish & Game Protective Association, as a result of the first match in the current series which was held in May. The Newportville, Woodmont and New Hope clubs follow in the order named.

About quail . . . here is an enlightening communication recently received from Seth Gordon, Executive Director of the Pennsylvania Game Commission, in answer to the appeal of a local sportsmen's organization for more stocked quail in Bucks County:

"Quail propagation in Pennsylvania has been very discouraging during the past few years to say the least. We have placed the Eastern Game Farm on a purely experimental basis in an attempt to produce a quail that will survive in the wild."

"Last fall we liberated 329 quail in Bucks County principally on farm-game projects, but reports during hunting season were disappointing. As we will only have a small number of quail to release this fall, it would be impossible to place 1000 of these in Bucks County."

"However, we hope by doing some extensive experimental work we will be able to find a way to produce a quail that can survive in the wild and you can be assured that we will not forget your section."

Meeting . . . the Edgely Rod & Gun Club will meet in regular session next Tuesday, June 22nd, in the Headley Manor Fire Station, at 8 p. m. Members are asked to be present, and all interested sportsmen have the usual cordial invitation to attend.

About the Canal . . . as you are probably aware, a movement has been on foot for some time to have the lower end of the Canal filled in, on the theory that it is a menace to health and society.

That such is actually the case, in my opinion, is highly debatable.

The Canal in the Borough has never been in better condition during the last 12 years than it is at the present time. And indications point to its further improvement.

It is the best fishing spot in lower Bucks County, attracting thousands of our Borough youngsters and adults in the course of a season in addition to hundreds of anglers from other towns and sections.

When the aqueduct at Point Pleasant is completed more water will be directed into the Canal, assuring a uniform flow of water all the way down to Bristol.

The water is not stagnant, even now. And some of the finest bass and pickerel taken each season in Bucks County come from its waters. Even after a heavy rain storm the water is clear and clean. The vegetation acts as a purifier. Our youngsters use it for swimming, even when their parents forbid them to bathe in the Delaware.

If an equitable distribution of the funds (made possible by the last session of the General Assembly in Harrisburg) is arranged so that all sections of the Canal can be equally maintained, then our section will be a jewel and a pleasure to behold.

As far as the Canal being used as a dump, there are regulations and ordinances prohibiting such practices. The Board of Health must surely have police powers to prosecute such abuses.

If we are really interested in protecting health and society we should take first things first. The Adams Hollow Creek is a sorry looking ditch. It is in the Borough. There would be a good place to start the clean-up campaign.

**PHILADELPHIA** — (INS) — The Keystone Automobile Club urges pedestrians to co-operate with motorists for their own safety. Edward P. Curran, safety director of the club, said pedestrian highway

casualties at night usually show a marked increase at this time of the year. This is accounted for by the fact that highway use—both pedestrian and vehicular—surges upward in the spring and summer.

**HIBERNIANS GO  
INTO 4TH PLACE  
BY A VICTORY**

Winning its fourth consecutive game, the Hibernians moved into third place in the Bristol Suburban league, with a 12-3 triumph over the Clinton Lewis Lodge of Elks last evening on Memorial Park field.

It was a good ball game until the sixth inning when the Hibos started to pull away from the Lake Street boys and made a runaway of the contest. Going into the sixth, the count was 3-2. In the last two innings, the Corson Streeters manufactured seven runs.

"Bill" Coates was the winning moundsman, he limiting the losers to six hits, two going to "LOGIE" Bragg. Only Dave Ludwig failed to get a hit for the Hibernians.

Frank Elker, of the winners, slapped out a Homer in the eighth inning with two on base, and Purcell getting one in the ninth with one on base.

"Eddie" Thompson was the losing pitcher, he taking Harris' place in the first inning.

**MONTI PITCHES A  
"NO-HIT" GAME HERE**

Alex Monti, fast-ball ace, pitched a no-hit game last evening on the Terrace field, as the Braam-coached team won its second game of the Bristol Youth League. The Fourth Ward Boys' Club was the losing club with the final count being: Bristol Terrace, 8; Fourth Ward, 2.

The Fourth Warders did not hit a ball out of the infield and the Terrace moundsman had six strikeouts to his credit.

Dick Maddox was the losing hurler, he being knicked for nine hits.

**SALT LAKE CITY**, June 10 (INS)

You must have a family, or be expecting one, to live in one particular Salt Lake City apartment house. Mr. and Mrs. H. L. Court-right, owners, rent their apartments only to couples with children. They believe that "somebody's got to do something about providing places

to live for the little tots." Mrs. Court-right said "we've been told we're crazy to take children in, but it's a good way to be crazy." Incidentally, their are no vacancies at the apartment house.

**HIBERNIANS GO  
INTO 4TH PLACE  
BY A VICTORY**

Winning its fourth consecutive game, the Hibernians moved into third place in the Bristol Suburban league, with a 12-3 triumph over the Clinton Lewis Lodge of Elks last evening on Memorial Park field.

It was a good ball game until the sixth inning when the Hibos started to pull away from the Lake Street boys and made a runaway of the contest. Going into the sixth, the count was 3-2. In the last two innings the Corson Streeters manufactured seven runs.

"Bill" Coates was the winning moundsman, he limiting the losers to six hits, two going to "Loggie" Bragg. Only Dave Ludwig failed to get a hit for the Hibernians.

Frank Elker, of the winners, slapp'd out a Homer in the eighth inning with two on base, and Purcell getting one in the ninth with one on base.

"Eddie" Thompson was the losing pitcher, he taking Harris' place in the first inning.
